

Dear Megan

Please accept this much - belated  
thank you for WATHU's generous  
donation to JDRF. As you can guess,  
w/ 2 Type 1 diabetics in my family, JDRF  
is an organization that is near + dear  
to my heart + I personally, as does  
my husband, Chris, really  
appreciate efforts like yours to  
help support JDRF's vital  
research. Thanks so much!
